### **Tale of two halves for the 2XI – Thursday 2 November 2017**

After going an impressive 5 games undefeated the 2XI finally tasted defeat in a 3-1 loss at home to Farringtons on Thursday evening.

Captain Charley Smith's side turned in an impressive first-half display which saw some fine attacking play in the opposition half and were left to rue the fact they were only one goal to the good at half-time.

It was a different story in the second-half, however, as Farringtons capitalised on some poor decision-making by Beths to turn the game on its head and eventually run-out deserved 3-1 winners.

### **Year 7 Football – Kent Cup – Tuesday 31 October 2017**

#### **Beths Grammar School 3-1 Bexley Grammar School**

Beths kicked off the game and were on the front foot. They had many chances and they got a goal through Maldini. After this goal the tide shifted and Beths were on the receiving end of Bexley Grammar's attack. A shot off the post was swept up and the rebound was scored. It was 1-1. Now the game was even but Daniel scored just before half time. The half time whistle blew and Beths were 2-1 up.

In the second half Bexley Grammar had many chances and after a shot of the crossbar by their striker, Beths were under a lot of pressure. With around 10 minutes to go Dante picked up the ball in his own half. He ran through the opposition's midfield and defence and scored. This relieved pressure on the team and they were able to see out the win.
