To Parent/Carers of Year 7 students

October 2019

Dear Parent/Carer,

At the start of each academic year we ask for your voluntary contributions to support some school activities:

School Fund

This fund supports a large number of items which are essential to school life. These include: providing and running minibuses and a coach; transporting students representing the school; running important enrichment and a wide range of educational trips; financing clubs and societies; providing School Colours and Commendation certificates; and financing school dramatic productions, concerts and other extracurricular activities.

The contribution we are requesting for this year is £40 and should be made online via ParentPay. If you are eligible to complete the attached gift aid form, this has tax advantages for the school adding an extra 25p to each £1.00 you donate at no cost to you.

Design and Technology

We run a very successful Design and Technology curriculum at Beths, and will continue to provide all our students with the resources they need to be as creative and innovative as possible.

We are asking for your support by making a voluntary contribution of £30. This one payment to cover the next three years will help us to continue to fulfil and extend this commitment and will also enable all students to retain their individual projects in Electronics, Graphic Products, and Product Design in Years 7, 8 and 9.

Thank you for your support; your donations make a real difference to the school.

Yours faithfully,

RJBlyghton
