12th December 2019

Dear Parent/Carer,

Firstly, I would like to congratulate all year 10 students on a fantastic start to the year and their GCSEs. It has been really pleasing to see their great work ethic and motivation across the year group and this has led to some really impressive trial exam results.

I attach an electronic copy of the booklets that were issued to students earlier this term. After having completed these first trial exams, it is vital that students focus not just on the result, but how we can improve from here in order to ensure success in the summer exams. All students will have access to mark schemes in order to evaluate their performance and identify areas to work on. We are encouraging all students to continue their revision, but also practice the key exam skills and to work on their own personal areas for development. We appreciate your continued support with this.

Furthermore, I would like to thank all of our students who take part in the wider community and represent our school in such a positive way. Whether it be through sport, such as the football victory in Barcelona, or as volunteers working in local primary schools and with our elderly community. We also have students that have recently been appointed Bexley Borough Youth Councillors, which is a fantastic achievement. The tutor team and I are very proud of all their efforts and we hope that they continue in the next two years.

We hope that all students have a productive, but also fun and restful, Christmas break. We look forward to returning in the New Year with continued dedication and success.

Yours sincerely,

Miss R Clarke
Head of Year 10
