

MFL Key Stage 3

Year group(s)	7-9
Work to complete	<p>Students should continue to work through the Memrise levels, which can be found on Show My Homework for each class. Once a level has been completed, give yourself a practice test and mark it. Ensure that you review any difficulties. To further consolidate the learning, you can use the new vocabulary to create a short paragraph on the topic giving opinions and reasons and using Steps to Success. You can also consolidate your learning of Steps to Success on Memrise.</p> <p>Students can complete various tasks from the Super Curriculum (available on the school website). These all require some form of evidence that can be brought back into school to receive commendations. Film reviews and posters can be completed in English, but should contain at least one opinion sentence in the target language.</p> <p>This time can also be used to make personal Memrise levels that contain the vocabulary that you find most difficult to remember. You can use your green book to find words you need to learn and create your own resource to test yourself.</p>

MFL Key Stage 4

Year group(s)	10
Work to complete	<p>Students should continue to work through the Memrise levels, which can be found on Show my Homework for each class. Once a level has been completed, give yourself a practice test and mark it. Ensure that you review any difficulties. You can also consolidate your learning of the GCSE Steps to Success on Memrise.</p> <p>Students can complete various tasks from the Super Curriculum (available on the school website). These all require some form of evidence that can be brought back into school to receive commendations. Film reviews and posters can be completed in English, but should contain at least one opinion sentence in the target language.</p> <p>This time can also be used to make personal Memrise levels that contain the vocabulary that you find most difficult to remember. You can use your green book to find words you need to learn and create your own resource to test yourself.</p> <p>(If your teacher says to do 'Green Book Work' too (make sure you do! 😊))</p>
Year group(s)	11
Work to complete	<p>Please continue your exam revision. There are many resources to enable you to do this. Below is a list and you should also refer to Show my Homework for extra details.</p> <p>-Past/Specimen papers from AQA website. Do them in timed conditions and mark. Alternatively, choose a question, revise the Memrise vocab for that topic and then practise the question (any skill.)</p>

	<p>-Kerboodle revision. Complete any reading and listening task to keep your skills ready. You may choose to do them at random or focus on a specific unit, after revising the relevant Memrise levels.</p> <p>- Vocabulary revision – you can work on Memrise (links on show my homework) and any vocab sheets you have been given. You can also make personal Memrise levels that contain the vocabulary that you find most difficult to remember.</p> <p>- Speaking exam revision – continue learning your questions. You need to practise them out loud so you feel confident in the exam. Remember to work on your tone and flow of language. Be prepared to deal with mind blocks by ensuring you know high level structures and topic vocabulary. Revise for the role play and photo card elements by ensuring you know photo card vocab. and key words for all units. You can also pick a question from a different unit in your green book and see if you can create an answer on the spot.</p> <p>- Writing exam revision – ensure you have learnt all of the high level structures / steps to success / negatives by heart. Read through previous marked work making a list of your common errors and how to fix them – know what you need to look out for in the exam. Ensure that you know how to form each tense (especially key verbs such as to be, to have and to go). You can find online grammar websites to practise, such as www.languagesonline.org</p>
