Dear Parent/Carer,

As you will be aware, yesterday evening, the Prime Minister announced that the majority of schools will close until further notice from the end of this week. Mr Johnson also indicated that all the GCSE and A Level examinations due to take place this summer, have been suspended and students will be awarded grades through a method to be announced, that does not appear to be by sitting a marked exam. Schools were not aware of these decisions before they were announced and we await further clarification.

Mr Johnson also announced that from Monday, where possible, schools will be open and offer provision for the children of key workers. The Government's definition of a 'key worker' is yet to be released, however we are keeping a watchful eye on this. Students identified as 'vulnerable' will also be able to attend school. We are considering our plans for these students and the provision we will offer and will confirm this in due course.

As we digest the information that we are currently aware of, we will of course be in touch with you with any updates.

As always, we will continue to do all we can to support our students and staff at this very difficult time and I wish to thank you again for your continued support of the school.

Yours faithfully,

RJBlyghton
