19 March 2020

Dear Year 11 students

I would like to use this as an opportunity to congratulate you on what has been an excellent two years in preparing for your GCSEs. The vast majority of you have learned a huge amount during the last two years and you should be extremely proud of everything you have achieved. The government has promised to ensure that all students preparing for GCSEs will get the grades they deserve and we will work tirelessly over the next few months in helping this happen. We will provide regular information to you and your parents as the situation evolves and will be looking to confirm places in the 6<sup>th</sup> form as soon as we can. We expect the vast majority of students to move through to the 6<sup>th</sup> form, however, if you are unsure of a place, we will be here to answer questions over the next few months and support any student who needs it to transfer to a college or alternative provider.

As a year group you have showed a fantastic degree of commitment to your studies and most of you are very well placed to start A level. Obviously, the most important thing at the moment is to support your family and stay safe however, as the summer develops please do not hesitate to work on higher level GCSE content in the subjects you will be studying next year, or even start looking at some of the easier A level topics. In addition, the Super Curriculum will also provide ideas about how you can further your academic development in the period before September:

<https://www.beths.bexley.sch.uk/page/?title=Super+Curriculum&pid=199>

Please follow government guidance about remaining safe at all times however.

Congratulations once again on being the best year group through KS4 in many years both in attitude and attainment.

We are very proud of you.

Yours faithfully

Mr McBeth

Mr O'Regan

Mr Blyghton
