

## **Maths Reading List**

### Nrich

Run by University of Warwick at <https://nrich.maths.org> There is a secondary student page with maths games and puzzles plus in "You Want to a Mathematician" section.

There is a list of relevant books for students to peruse - the content is A Level standard and gives a much more holistic view of advanced Mathematics.

A Level Mathematics resource packages | STEM at  
<https://www.stem.org.uk/alevel-maths>

### MathsBank

A-Level Maths Resources for Teachers and Students at <http://mathsbank.co.uk>

The last two you need to register but are free. For Yr 1 in MathsBank, students need to look at C1 and C2.

Book: Bridging the Gap to University Mathematics  
Authors: Hurst, Edward, Gould, Martin  
ISBN 978-1-84800-290-6
