Letter to the Parents and Carers of Year 10 students

Dear Parents and Carers

Following a government consultation it has been decided to award Year 10 early entry GCSEs in the same manner as Year 11s. This means that all Year 10 students who were entered for a GCSE this summer will now be awarded a grade for their attainment across the two year GCSE programme. The exam boards will now require the school to submit grades based on strict criteria as laid out by the government.

Please do not make contact with teachers as the school is not permitted to enter discussions with parents or students about the submission of evidence to the examination boards.

If you would like some more detail about this, further information can be found at <https://www.gov.uk/government/publications/gcse-as-and-a-level-awarding-summer-2020>

Many thanks for your understanding in this matter and we look forward to celebrating the hard work of our Year 10 students in August when GCSE grades will be awarded as usual.

Yours faithfully

Mr R J Blyghton
Headteacher
