16 September 2020

Dear Parents/Carers of Sixth Form Students

### ***Further Update and Reiteration of Guidance***

Following our earlier correspondence with you, we are continuing to receive complaints from local residents. The latest one is regarding a group of six Sixth Form students who visited the kebab shop in Bexley Village yesterday at about 12.30pm. Apparently, although there is a notice in the shop saying that no more than two members of the public should enter at any given time, all six of the students, who were also not wearing masks, entered and did not react or respond when it was pointed out that they should also not be in there.

This sort of behaviour completely disregards the Government's directive about the Rule of Six and is not helpful when we are trying to improve the school's image amongst our local community.

All students are being told that they must wear face masks in all inside communal areas of the school – except for the classroom - and Sixth Form students, as they cross other 'bubbles' around the site, are being asked to do so as they enter the school site through the East Gate.

As I also asked, in my letter of 11 September, we would ask that all Sixth Form students please avoid using Albert Road and arrive in Hartford Road via Bourne Road, Parkhurst Road or Knoll Road.

Thank you for your continued support as we do everything we can to monitor our Covid security both on site and while travelling to and from school and the safety of all students and staff is my paramount concern.

Yours faithfully

**Mr R J Blyghton**  
**Headteacher**
