Parents and Carers of Sixth Form Students

Dear Parents/Carers

It has come to my attention, on many occasions since the start of term that both the male and female toilets in the Sixth Form Centre have been left in a state that nobody should have to deal with.

Incidences have occurred in both the male and female toilets within the Sixth Form Centre and the Sixth Form are the only students with access to them.

If you had witnessed some of the scenes that I have been shown, you would understand my horror at seeing the evidence and that this is not what I would expect from intelligent, young adults.

Should this continue, we will be looking into alternative ways of monitoring the toilet situation and this could include closing the Sixth Form Centre down and bringing in external portaloos.

Please could I ask that you speak to your son or daughter about this behaviour, which I am sure is being carried out by a very small minority of students. If you have any information regarding this behaviour, you should contact our Operations Manager at mwalker@beths.bexley.sch.uk.

Yours faithfully

RJBlyghton
