September 2021

Dear Parent/Carer,

School Fund

At the start of each academic year we ask parents/carers for a contribution to the school voluntary fund to support the work of the school.

Our voluntary fund finances a large number of activities which are both essential to school life and enhance students' educational experience. These include providing and running minibuses and a coach transporting students representing the school; running important enrichment activities; financing clubs and societies; providing School Colours and Commendation certificates; and financing school dramatic productions, concerts and other extra curricular activities.

The contribution we are requesting this year is £30. If you do not already have a standing order set up to make this contribution, payment should be made online via ParentPay.

Thank you for your support; your donations make a real difference to the school.

Yours faithfully,

Mr R J Blyghton
Headteacher
