30th September 2021

Dear Parents and Carers,

Important new Covid Safety Measures

Following an increase in Covid cases amongst the 12-18 population in our school, we have been advised by the LCRC and Local Authority to introduce a range of further Covid security measures here at Beths. These measures are important for us in preventing the spread of Covid in our community and for keeping everyone here at school safe.

The measures from Friday 1st October 2021 are:

- Masks must be worn on public transport to and from school including our school bus
- Masks must be worn when entering the site and as students move around the site
- Masks must be worn when queuing for food or moving around the corridors
- All Key stage and Year group assemblies will go online
- We have increased our cleaning regime back to the levels we carried out during last year
- Students can wear coats in class as rooms will continue to be ventilated
- Students can remove their masks in class or when outside in their designated recreation areas
- In Key Stage 4 we recommend that testing be moved to a daily regime.

These measures will be in place until the October half term, and then reviewed.

Given local data, these measures are reasonable and proportionate and except for those with exemptions, failure to comply will count as a serious breach of our behaviour policy.

Best regards,

R J Blyghton
Headteacher
