20 October 2021

Dear Parents, Carers,

Remote Lessons for 6th Form on Thursday 21 October 2021

Due to the rising numbers of Covid amongst the 6th form students, we have decided to switch 6th form lesson to remote learning on Thursday 21 October 2021. We hope with the half term break ahead, this helps to minimise the spread further.

Please can students continue to lateral flow test twice a week (eg. Sundays and Wednesdays), including during the half term break and upload their results to the schools Test Register.

We apologise for any inconvenience caused, but hope you understand we have to sometimes place year groups to work remotely during these unprecedented times.

Students should revert to the subject's Microsoft Teams folders for resources and to log onto the Teams session for their live lessons.

It is vitally important that students need to take responsibility for their education otherwise this could be compromised next summer.

Kind regards,

Mr Neylan
Senior Deputy Headteacher
