7 December 2021

Dear Parents, Carers,

Remote Lessons for Year 12 from Wednesday 8 December 2021

Due to the significant increasing number of Covid cases amongst Year 12 students, we have been advised by Public Health Bexley to switch lessons to remote learning from Wednesday 8 December 2021 until the end of the autumn term. We hope with the Christmas break ahead, this helps minimize the spread further.

Please can students lateral flow test daily over the next seven days and upload their results to the schools Test Register.

We do apologise for any inconvenience caused, but hope you understand we have to sometimes place year groups to work remotely during these unprecedented times.

Students should revert to the subject's Microsoft Teams folders for resources and to log onto the Teams session for their live lessons during their timetable.

It is vitally important that students need to take responsibility for their education and continue to attend lessons online.

Kind regards,

Mr Blyghton
Headteacher
