22<sup>nd</sup> March 22

Dear Parents/Guardian

## Re: KS3 Product Design Catch-Up Sessions

In order to give students an additional opportunity to work in the DT Workshops on their KS3 Practical Session, we are opening the department for a catch-up session during the Easter holiday. The focus will be on the Bottle Opener project and the class will be split over the two separate sessions with a maximum of **16** students per session as indicated below.

Students will need to bring a snack and a drink as the canteen will not be open. They will also need to make their own arrangements to and from school. Students will not be allowed off-site until the end of the session and do not need to wear school uniform. **We would ask that students arrive promptly at school for the start of the session. If they are late they will not be let in.**

- Date:** Session 1 - Monday 4<sup>th</sup> April  
Session 2 - Tuesday 5<sup>th</sup> April
- Time:** 9.30 am – 12.30 pm
- Venue:** A11 [Design and Technology Building]

If you wish your son to be part of the session, please complete the attached permission slip and return before Tuesday 29<sup>th</sup> March. Once we have the numbers your son will be allocated a session.

Should you have any further questions, please don't hesitate to contact us.

Yours faithfully

Ms J D Dennis  
**Subject Leader of Technology**
