

Throughout his time at Beths Grammar School, your son will be academically challenged and stimulated through accelerated learning, given the opportunities and motivation to aim at the very top for his future, and supported at all times by an Outstanding team of teaching and support staff.

Our aim is to educate the whole pupil, readying them for higher education or the world of work through an Outstanding curriculum and wealth of extra-curricular activities which develop their independence and leadership skills. These include House Competitions, Duke of Edinburgh, highly successful sports teams, music and the arts. We retain nearly all our students into Sixth Form.

Focusing on, 'Promoting Educational Excellence and Leadership Skills', we seek to create young adults who are forward thinking, confident and highly successful, readying them for a technologically advanced age and a global community.

We do this through marrying the old with the new; combining grammar school traditions with the freedom enabled by academy status to offer a diverse and engaging curriculum, enriched by the use of technology.

Above all, our students remain our most valued asset. They are polite, articulate and their behaviour is Outstanding. We strongly recommend you attend our Open Events to speak to them directly about their life at Beths Grammar School and look forward to showing you some of the fantastic work they produce and the exciting opportunities we have to offer.

For more information about our curriculum, a copy of our Ofsted report or any other information, please visit our website: www.beths.bexley.sch.uk.
