Dear Parent/Carer,

Re: Virtual Year 13 UCAS Information Evening

We would like to invite you to attend a virtual UCAS information evening on Wednesday 4th October at 6pm. The evening will be particularly important for those of you who are experiencing UCAS for the first time with your oldest child. We will explain what we are doing to support students and what you can do to support them. The talk will cover areas including:

- Researching courses and programmes
- The UCAS application process
- UCAS predictions
- Unifrog Platform
- How to support your child

We understand that you may have questions about this process and we encourage you to send your questions in advance via the form below.

The teams link for the live feed will be shared with you on the morning of Wednesday 4th October. We look forward to seeing you at this information event that will enable you to support your young person further as they plan for their future. If you are unable to attend, we will circulate a recording of the session the next day.

Yours faithfully,
