

# Beths Grammar School

## Teacher of Business Studies

### Recruitment Pack

Dear Applicant,

Thank you for your interest in this exciting and very important post.

Beths is an academic institution that fosters an ethos in which working hard and wanting to achieve are the norm: where it's cool to be clever and successful. This is as true for the staff as for the students. We are ambitious for the young people in our care and seek to help them secure the very best outcomes of which they are capable. As a selective school, the staff have the privilege of educating intellectually able young people; and the students have the privilege of being in classes in which progress in learning can be rapid, and subjects explored in real depth.

As a school, we are committed to being a world-class learning community that enables all young people to succeed. We aim to create young adults who are forward thinking, confident, motivated, competitive and are highly successful. They understand the purpose of becoming an independent learner and strive to become self-directed and comfortable with the unknown.

Central to everything we do is the culture of high expectation and aspirations. Students are encouraged to develop a love of learning and reading, to think for themselves and to maximise their full potential.

We are looking for a teacher with real drive. Someone who is unafraid to tackle difficult issues, who knows what Outstanding looks like, and who, along with the rest of the team, is committed to working tirelessly to achieve it; someone with determination, resilience, humility and a sense of humour.

We are looking for a dynamic and innovative individual, who is committed to providing an educational opportunity for all in a world class learning culture, who will support individual endeavour through high expectations, personal growth and development, whilst ensuring that exceptional achievement and excellence are embedded in all aspects of school life, and thus play a pivotal role in shaping the future of Beths Grammar School. The successful candidate will gain a wealth of experience from working across the school receiving support and guidance from the Headteacher and a very experienced Senior Leadership Team.

If you share our passion for students succeeding and our development of the 'whole student' and believe you have the skills to lead and inspire others, we very much look forward to hearing from you. I look forward to reading your application.

With best wishes,

RJBlyghton

## BACKGROUND

Set in acres of pleasant grounds, Beths Grammar School is located within easy commuting distance of both central London and Kent, offering the advantages of a diverse and forward-thinking community within a haven of green space. The mainline railway station is less than ten minutes' walk away; while for road users, there is a junction on the A2 close by (two of the three school fields run alongside the A2). Many

staff choose to live close to the school, or in neighbouring boroughs, and the borough of Bexley has a wealth of high performing schools and good quality housing stock at competitive prices.

Beths is an academic institution that fosters an ethos in which working hard and wanting to achieve are the norm: where it's cool to be clever and successful. This is as true for the staff as for the students. We are ambitious for the young people in our care and seek to help them secure the very best outcomes of which they are capable. As a selective school, the staff have the privilege of educating intellectually able young people; and the students have the privilege of being in classes in which progress in learning can be rapid, and subjects explored in real depth.

While Beths is a traditional grammar school, it is geared for the twenty-first century. ICT is widely used and both students and staff are provided with their own electronic devices. We offer a broad and balanced curriculum which includes Music, Drama and Art at A Level.

As well as being a beacon of academic pursuit and excellence, Beths Grammar School is renowned for its enviable co-curricular enrichment programme that, through sport, the arts, clubs and societies, nurtures the whole child. This is why many boys – and girls in the Sixth Form – want to come here; and it is also why so many parents are pleased to send their children to Beths. Emphasis is placed on developing leadership skills, best exemplified by the work of the prefect teams, but also through opportunities lower down the school such as our thriving School Council. We believe our students are our best ambassadors. We value our students collectively and individually and acknowledge – and celebrate the fact – that they are all different.

Beths is committed to staff development. We have a strong CPD programme based on the principle of 'expertise from within'. Staff at all career stages have opportunities to lead training and we are keen to develop the leadership skills of our members of staff as we are those of our students.

Our students achieve highly in Year 11 and the Sixth Form; but we are not complacent. At Beths we are determined to deliver the very best to our students – and we seek to recruit like-minded, outstanding practitioners who also want to give the wonderful young people who study here the world-class education they deserve.

## Teacher of Business Studies

Beths Grammar School is a large multi-cultural school on the borders between London and Kent serving a wide range of vibrant and exciting communities. We specialise in boys' education in the main school and have a large, co-educational 6<sup>th</sup> form.

The Business Department is a popular option for students at both KS4 and KS5. It is a well-established and developed department which is well resourced. The course introduces students to all they need to know about working in business, providing a solid foundation for further study. There is a clear focus on helping individuals become good decision makers, alongside developing managerial skills and techniques to help students become analytical problem solvers.

Throughout the course students develop the skills of data interpretation and essay writing to consider issues from more than one viewpoint and reach a reasoned conclusion. Our students are encouraged to use numerical data, think clearly and understand ratios, percentages and trends in data.
