Dear Parents and Carers,

## UCAS Launch Evening

On Thursday 23<sup>rd</sup> May from 6pm until 7pm we will be hosting a virtual UCAS Information Evening. The aim of this evening is to provide parents, carers and students with vital information related to UCAS (University and Colleges Admissions Service).

During the evening, we will be providing the following information:

- What is UCAS?
- Timeline of key dates and events
- How your young person should be preparing from now until October to December
- How Beths Grammar School makes UCAS predictions
- Q&A

If there is any additional information you would like regarding UCAS please submit the question via the question link, and we will try to incorporate the information into the presentation.

This will be emailed out again on the day of the event. Students can use their Microsoft Teams login to view the talk. You may wish to sit together and simply use the student login.

The meeting will have participants muted and cameras off. We ask that any use of the chat function is limited to asking questions.

If we are unable to answer all the questions in the time available during the Q&A section, we will make contact afterwards.

The slides used and the video will be made available via the Year 12 Teams page after the event. Students will be able to access this. There will also be a link emailed to parents.

We look forward to seeing you there.

Kind Regards,
