Show My Homework
The world's No. 1 online homework solution

A new way to record, track and monitor homework at Beths Grammar School

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, as well as their submission status.

In September you will be provided with login details to your personal account, ready-linked to your child's homework calendar.

Simply visit <https://beths.showmyhomework.co.uk/school/homeworks/calendar> to view our school's live homework calendar and log in.

We'll be launching Show My Homework in September 2017 and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management, and help them to keep on top of their workload.
